PROFILE

Dynamic and motivated BCA student with a passion for software development and a drive to excel in the tech industry. Proficient in C, C++, Python, JAVA, SQL, and HTML, with a solid foundation in computer science principles. Known for my problem-solving abilities, collaborative mindset, and dedication to continuous learning. Eager to leverage academic knowledge and hands-on experience in an internship role to contribute to innovative projects and further develop my skills in software development and web development.
